Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

The Assignees, Murdoch Children's Research Institute, hereby disclaim, except as provided below, the terminal part of any patent granted on the above identified application which would extend beyond the expiration date of U.S. Patent No. 5,929,040 which issued on July 27, 1999, and hereby agree that any patent so granted on the above identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent 5,929,040.

The Assignees further agree that this agreement is to run with any patent granted on the above identified application and is to be binding upon the grantee, its successors, and assigns.

The Assignees do not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Patent No. 5,929,040 in the event that said patent later: expires for failure to pay a maintenance fee, is held

unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term, except for the separation of legal title stated above.

The undersigned attorney of record hereby confirms that she is empowered to act on behalf of the Assignees.

Respectfully submitted,
